Emergency Repairs on NASA Road 1 between Repsdorff Road and Lakeside Drive

(Seabrook, TX) Morning traffic delays are expected on Wednesday, September 1st on west bound lanes of NASA Road 1 between Repsdorff Road and Lakeside Drive due to emergency road repairs.

City of Seabrook emergency management officials report that a construction crew accidentally hit and ruptured a gas line on Tuesday afternoon near the 2800 block NASA Road 1. Road repairs related to this incident will be ongoing overnight and may affect the west bound flow of traffic during the morning commute.

Area residents are urged to visit <http://www.houstontranstar.org/> for the latest information about the NASA Road 1 closure.
